

Ashbourne Hilltop Primary and Nursery School Newsletter

Autumn 2020

We have been really impressed with the way that the children have returned to school and settled into the new ways of working. In the morning pupils run into school which is surely a sign that they are enjoying being back!

I would like to say a big thank you to all of the parents for your ongoing support in helping to keep our school as safe and socially distanced as possible and to the staff for their hard work in helping the children read just to being back at school.

Wellbeing has remained a priority across the school, we have been providing opportunities for the children to discuss their feelings and have been promoting a Growth Mindset across the school. Why not ask your child what this is!

Thank you to those people who have ordered from Cauliflower Cards.

It is a very popular fundraiser for our school.

DON'T FORGET!

Applications for Secondary School places close on Saturday October 31st.

Applications for Primary School places open on November 9th and must be completed by 15th January 2021

To apply for your child's place please visit

The teachers have been working hard to carry out baseline assessments over the last few weeks as we recognise that childrens education over lockdown has been very varied for a number of reasons.

We would normally be holding parent's evenings during this half term but due to social distancing this is going to be replaced by a five-minute telephone conversation to discuss your child's progress. These can be booked directly with the class teacher between 2nd and 13th November. Please message them on Class Dojo to book your slot.
