

Ashbourne Hilltop Primary

Pupil Parliament 2021-22

Our Pupil Parliament work tirelessly with their peers, school staff, governors and the local community in order to support good decision making across all aspects of Hilltop improvements. They all have their own roles and responsibilities as part of this process. Thank you all!

Primary Minister

The role is to lead our Pupil Parliament. This will include taking charge of meetings and helping Mrs Moriarty to guide our discussions about important subjects. In addition to this, all Pupil Parliament members will be responsible for collecting the very important views of our very important pupils.

Deputy Primary Minister

The role is to support the Primary Minister in leading group discussions. You may have to deputise for the Primary Minister in her absence. In addition to this, all Pupil Parliament members will be responsible for collecting the very important views of our very important pupils.

Minister for Sport

The role is to support the PE Lead (Mrs Greatorex) in organising sports events and contribute to the upkeep of sports equipment. In addition to this, all Pupil Parliament members will be responsible for collecting the very important views of our very important pupils.

Minister for Play

The role is to support the OPAL play leaders, school leaders and school governors in organising and supporting play throughout the day and to contribute to the upkeep of play equipment. In addition to this, all Pupil Parliament members will be responsible for collecting the very important views of our very important pupils.

Minister for Health and Safety

The role is to support the Health and Safety School Governor and take part in Health and Safety walks around school. In addition to this, all Pupil Parliament members will be responsible for collecting the very important views of our very important pupils.

The role is to support the PE Lead (Mr Greatorex) in organising sports events and contribute to the upkeep of sports equipment. In addition to this, all Pupil Parliament members will be responsible for collecting the very important views of our very important pupils.

Minister for Sport

The role is to support the Computing Lead by looking after the school IT equipment, making sure all laptops are plugged in and charging. You will also have the responsibility of feeding back to the Pupil Parliament on the schools use of Computing resources in learning. In addition to this, all Pupil Parliament members will be responsible for collecting the very important views of our very important pupils.

Minister for Computing

The role is to support the school cook and governors to share how we run our lunchtimes and how we could improve. In addition to this, all Pupil Parliament members will be responsible for collecting the very important views of our very important pupils.

Minister for Food and Lunchtimes

Minister for Behaviour

The role is to support the adults in school in making sure that children are following the Behaviour

Policy (Ready, Respectful and Safe) and model high levels of behaviour all around school. In addition to this, all Pupil Parliament members will be responsible for collecting the very important views of our very important pupils.
